7. *Demand No.* 1: *for the continuance of the Special Temporary Allowance that was being paid since 1943 and discontinued since 1st July 1946* :—

The Labour representative explained the demand and stated that the Special Temporary Allowance granted in 1943, on account of high cost of living was being paid all these days even after the commencement of the grant of Dearness Allowance and that its discontinuance causes hardship to workers, especially when the cost of living which instead of coming down had gone up. He further urged that the contention of the Management that since the Management had enhanced the rates of Dearness Allowance by 50 per cent the payment of this Special Temporary Allowance in addition was not possible was not convincing, as the enhanced rate of Dearness Allowance was less than the sum total of the old rates of Dearness Allowance and the Special Temporary Allowance. Hence, the allowance in question now urged has to be paid.

The Management representative said that though there was an agreement in respect of a previous Notice of Change to the effect that the Management would pay some other allowance to compensate the loss by the stoppage of this Special Temporary Allowance paid to the staff, the Management was obliged to withdraw the payment of this allowance as per the decision of the Directorate and as the enhanced rates of Dearness Allowance were paid to the employees at the rate prevalent in the Government Industrial Concerns. He further stated that the Special Temporary Allowance which was meant to neutralise the high cost of living of the employees when the Dearness Allowance paid to them at the rate of Rs. 8 and Rs. 12 to those below Rs. 25 and above respectively, was discontinued when they began paying the Dearness Allowance at Rs. 12 and Rs. 15. It was also pointed out by the Management that no duplicate allowances could be paid on the ground of high cost of living and that the Dearness Allowance would be the only proper item and had been since raised. Further, he said, that the financial position of the Company did not permit of such grant and would not permit of its continuance now, and that the dividends which were being paid at 10 per cent some time back had come down to 7½ and that the prospects of this year's crop were also not bright. He added that the Management had sanctioned revised grades of pay, from about that date and that two increments had been granted to the staff in those grades. For all these reasons, he said that it was not possible for the Management to grant the Special Allowance in addition to the Dearness Allowance, and that this demand could not be accepted.

The Association Representative pressed the demand, but the Management could not agree to it. No settlement could be effected between the parties on this Demand.

8. *Demand No.* 3: *for the restoration of the wage cuts effected in the case of certain coolies* :—

There was discussion of this demand on both sides. The Management representative explained as to the circumstances for that reduction in the wages and as to the improvement in the result about the basic wages and the Dearness Allowance in this seasonal factory.

Finally, the Association representative withdrew this demand.

9. So, of the two Demands (No. 1 and 3) for conciliation (*i.e.*, No. 3) was withdrawn, while in respect of the other demand (*i.e.*, No. 1), the parties did not come to a settlement though all possible ways were explored.

10. The conciliation in regard to the Demand No. 1 thus ended in failure, which I hereby report.

11. I request that this report may be published in the Gazette, as required in Sub-Section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,

NAVANEETHAM,
Chief Conciliator.
